PROFESSIONAL SUMMARY

Civil Engineer | Site Supervisor | Project Coordinator with experience delivering residential and small commercial building projects from planning through completion. Skilled in site supervision, coordination of craftsmen and subcontractors, budgeting, scheduling, and stakeholder communication. Adept at translating drawings and specifications into actionable work plans, resolving on-site issues, and ensuring quality, safety, and timely delivery. Background in both construction and interior fit-out, with a track record of delivering projects to required quality, schedule, and client expectations.

SKILLS

- **Construction & Site Supervision**: Setting out, supervising daily site activities, quality control, interpreting drawings, ensuring compliance with specifications.
- **Project & Client Coordination**: Planning work programs, managing site resources, coordinating deliveries, liaising with clients and other professionals.
- **Health, Safety & Environment (HSE)**: Basic HSE competence; promoting safe work methods, site access control, and hazard awareness.
- **Technical Tools**: AutoCAD, SketchUp, Microsoft Word, Excel, and PowerPoint.
- **Soft & IT Skills**: Time management, teamwork, communication, leadership, problem-solving, front-end web development (HTML, CSS, basic JavaScript).

PROFESSIONAL EXPERIENCE

Civil Engineer/ Project Coordinator

ARAMET EDGE CONSTRUCTION AND ENERGY, Abuja, Nigeria. **Jun 2025 – Apr 2026**

- Co-founded a construction and energy company delivering residential and small commercial building projects.
- Define project scope, budget, and duration in line with client requirements and available resources.
- Act as primary contact between the company, clients, and other stakeholders during project execution.
- Plan and supervise site activities, ensuring work is carried out in accordance with drawings, specifications, and quality standards.
- Coordinated procurement and delivery of construction materials worth millions of naira across multiple project phases.
- Supervised teams of up to 10-15 craftsmen and labourers on residential construction projects.

Interior Design Assistant

TIFFANY EXQUISITE INTERIORS, Abuja, Nigeria. **Jan 2024 – Jun 2025**

- Support interior designers in coordinating finishing works and installations for residential and commercial spaces.
- Assist with site measurements, basic space planning, and selection of interior materials and fittings.
- Liaise with suppliers, artisans, and clients to ensure timely delivery and installation of interior components.
- Help monitor work quality and adherence to design concepts during interior fit-out.

Civil & Maintenance Engineering Intern

EN-GRAZID LTD, Abuja, Nigeria **Jan 2022 – Nov 2022**

- Assisted senior engineers in the maintenance and optimal performance of facilities.
- Supported planning and organisation of construction material deliveries for ongoing projects.
- Helped monitor safety and security in and around facilities and site locations.

Site Supervisor

GREATER HEIGHTS ARCHITECTURE, ENGINEERING AND CONSULTANCY, Nigeria **Oct 2015 – Nov 2016**

- Supervised and partook in construction works on residential building projects to ensure work quality and adherence to instructions.
- Assisted in sourcing and coordinating skilled and unskilled labour for various site tasks.
- Monitored the condition of site facilities and ensured maintenance works were carried out as required.
- Contributed hands-on to the construction of semi-detached and terraced residential buildings.
